

Initial Faculty Mentoring Meeting – 2nd Semester Freshmen

Student Name:

Use the space below for notes. Here are some possible topics for discussion:

Why did you choose biochemistry as a major?

What is your career goal?

How did you feel about your first semester performance? Will you be making any changes?

In which campus activities are you becoming involved?

Are you thinking about starting undergraduate research next year?

What are your summer plans?

Questions/Issues raised that the student will pursue:

Questions/Issues raised that need follow-up from the Academic Advisor:

Student Signature

This student has satisfactorily completed the faculty mentoring requirement for this semester.
